

HIGHLINE™ E-POWER

Battery Pressure Washer

Specifically designed to meet the needs of professional window cleaners and facilities management teams, this state-of-the-art battery powered pressure washer is not just a tool but an investment in sustainability and efficiency.

RECHARGEABLE, QUIET, POWERFUL.

Features

- **Stainless Steel Durability:** Encased in a robust stainless steel box and mounted on a skid system, the Highline E-Power Pressure Washer is built to withstand the toughest environments, ensuring long-lasting performance.
- **High-Performance Pump:** With a water flow of 10 litres per minute and a pressure of 110 bar, this unit delivers powerful cleaning action that effortlessly tackles grime, dirt, and debris on any surface.
- **Ultra-Quiet Operation:** Designed for use in noise-sensitive areas, this pressure washer operates quietly, at less than 90db, making it ideal for nighttime cleaning or use in residential zones.
- **Eco-Friendly Power:** Powered by a 24v Lithium-Ion battery, the Highline E-Power offers up to 3 hours of continuous operation, with an estimated working time of approximately 5 hours. With zero carbon emissions, it's the perfect solution for businesses looking to align with Environmental, Social, and Governance (ESG) goals.
- **Flexible Integration:** This compact skid unit can be easily added to most vehicles, providing unmatched versatility for your cleaning operations.

Highline E-Power Pressure Washer Skid System:

Product Code: HP-SKD250-H11110EHE-030

The skid is a metal frame with a fixed battery pressure washing unit, a 250ltr tank and a 30mtr hose reel, perfect for fitting into most vans with autonomous operation.

- **Chemical In-Feed and Return to Tank:** Designed with a chemical in-feed system, this unit ensures that no waste is generated, aligning with green zone regulations expected to expand across the EU by 2025/26.
- **User-Friendly Interface:** Equipped with an hour clock to monitor battery usage and a single-speed pump with a pressure gauge, this washer is as easy to operate as it is effective.

Description	Highline™ E-POWER
Model	HP-SKD250-H11110EHE-030
Emissions	Zero carbon emissions
Measurements	1290mm (W) x 948mm (H) x 890mm (D)
Dry Weight	169 kg
Flow Rate	10 litres per minute
Pressure	110 bar
Battery Type	24v Lithium-ion
Run Time	3 Continuous hours
Pump Speed	Single speed
Return to Tank	Yes
Chemical in-feed	Yes
Hose Reel Length	30 metres
Storage Tank	250 ltr

Pressure Washer Only Version:

Product Code: HP-BOX-H11110EHE-000S
